WOVEN SHADES

SAGA - CLOUD

The fibers used to make our natural woven shades are created in nature. As a result, texture and color variations should be expected. We recommend, where large orders are specified, that they are ordered at the same time to ensure the closest possible match. Please contact us for a CFA (cutting for approval). Repeat V: 1.375"

Contents: 15% POLYESTER, 85% JUTE

Width: 95

Opacity: LIGHT FILTERING

Price Level: 2
